Class Poem

LEARN TO SERVE

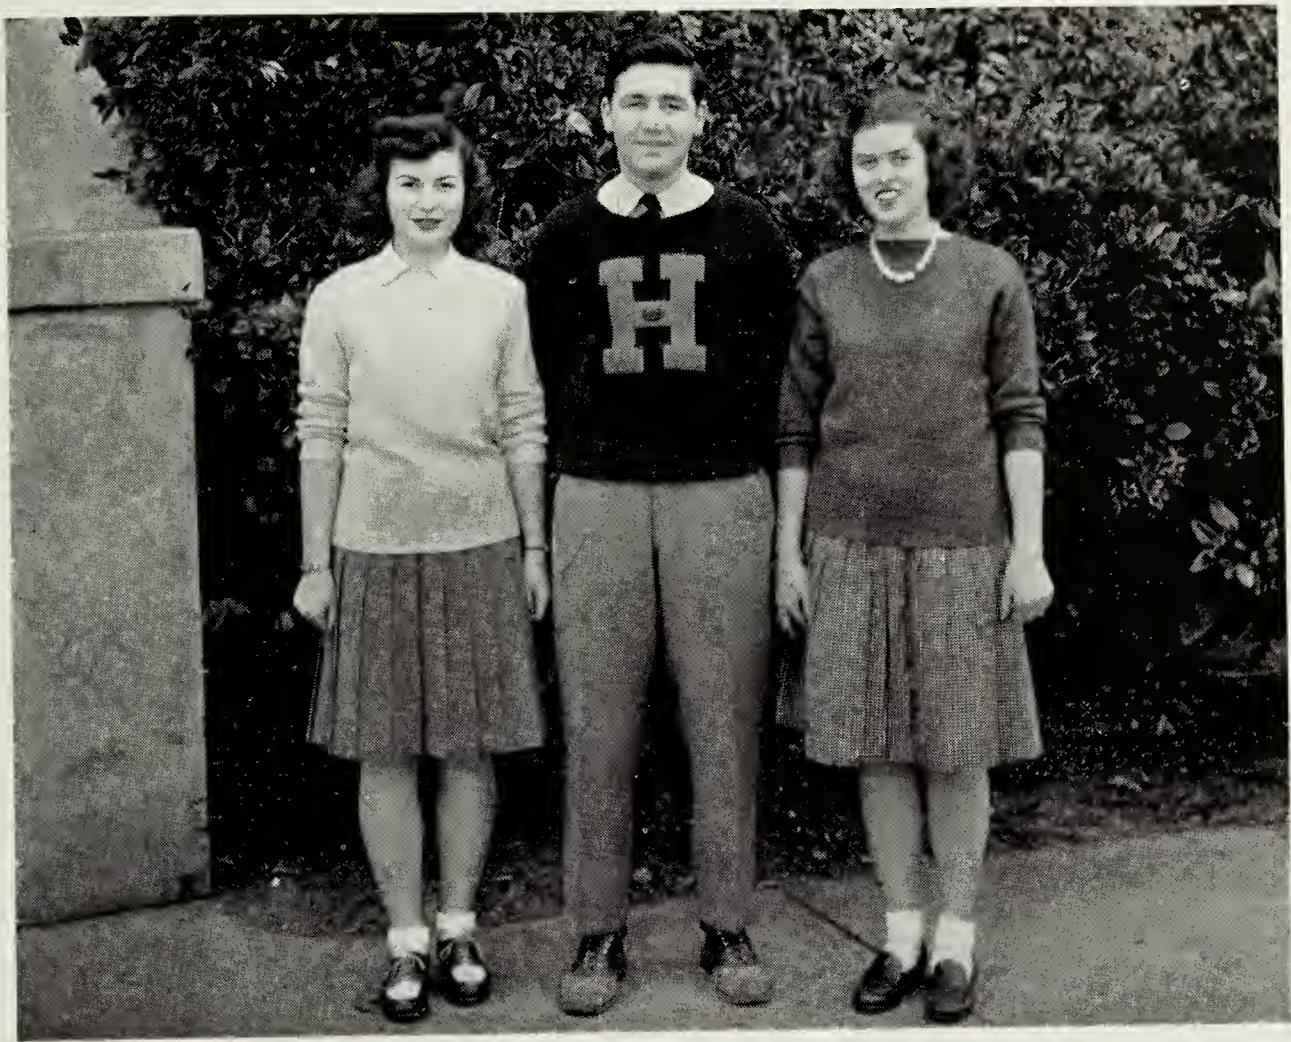

"Leaders of tomorrow," they said of us;
Now our tomorrow has come.
Eagerly we go forth for those
Who gave their lives one by one.
And so we leave you Hopewell High
With sincere heart and mind.
Recasting our lives toward other ways.
We venture forth to serve mankind.
Now that the door of our future swings wide,
We will always remember you with pride.

Therefore, we pledge our lives;
Our teachers' efforts shall be our guides.

Service shall be our main thought, our aim,
As we strive for patriotism.
Each one has a job in our abundant land
To destroy the roots of Nazism.
Ring now the bell that calls for youth,
The bell that calls for service.
Victory shall be our own
And no one will defeat us.
Each heart shall hold these words:

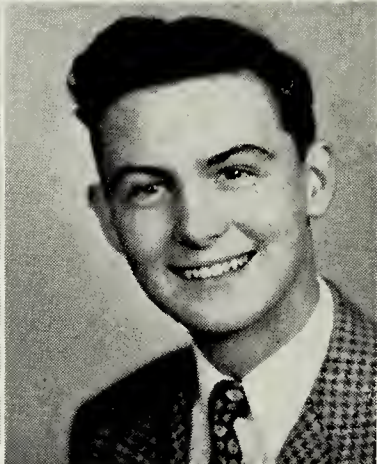

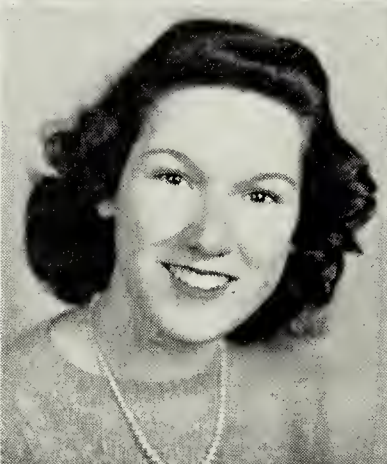

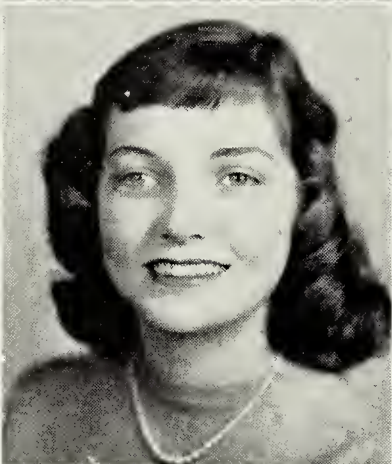

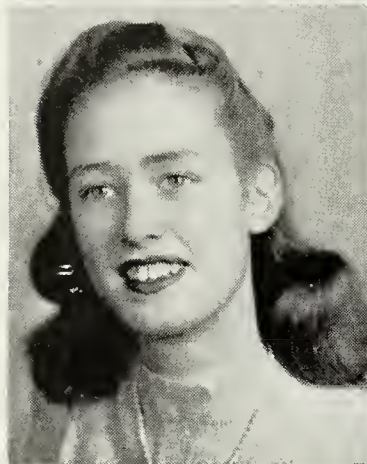

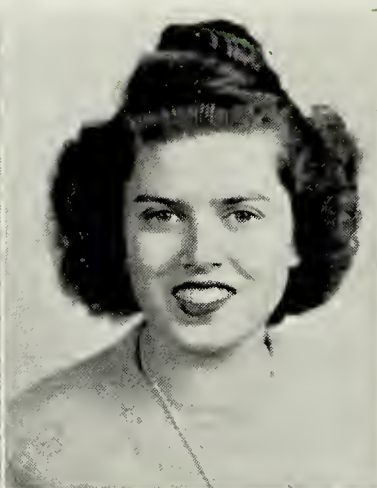

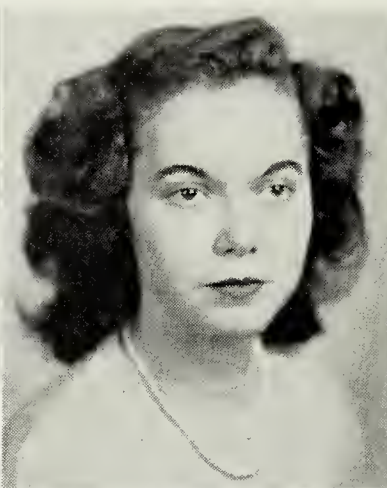

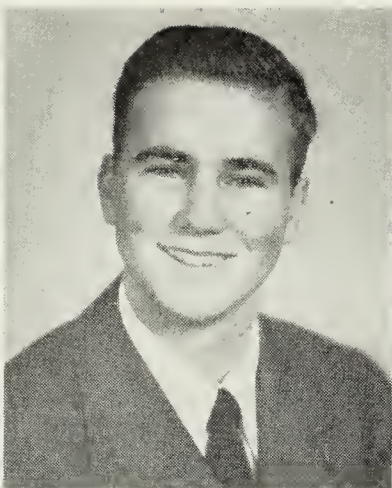

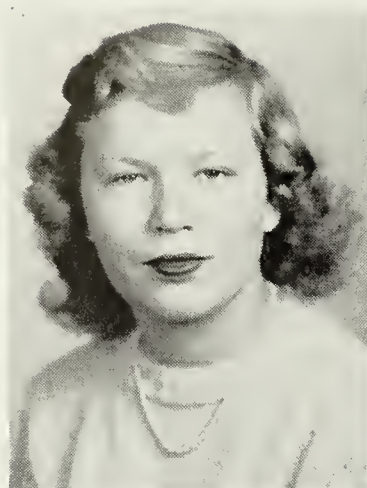

ENTER TO LEARN
LEAVE TO SERVE

Class Prophecy

Have you ever heard of the "Arabian Nights"? If you have, you probably didn't believe any of the strange tales told in that series of stories. Here's one as equally amazing but quite true.

One night, I was sitting by my fire snoozing quite contentedly, dreaming of graduation which is so close, when a voice right out of nowhere said, "How would you like to take a look into the future and see those classmates of yours?"

I jumped up quite confused and was about to resume my nap when the voice came again. This time I looked up and saw the cutest little genie you ever saw. (Yes, I did.) He was a very intelligent looking fellow and persistent too, and almost before I could say, "Yes, I'd like to see the class of '46 in the future," I was seeing them. That genie had sprinkled me with some miraculous powder and there I was with a grandstand seat—looking into the future.

I'd say it was about 1956 because I could sort of tell by the latest styles. The genie informed me that I was in New York City and was at one of Madame Dorothy Sheally's fashion shows. As the models came out, I recognized some of them as being my classmates. "Why, isn't that Shirley Blanton? Yes, I believe it is." Madame Sheally told me that she was modelling the latest thing in a bathing suit designed by Florence Harris.

Running competitively with Madame Sheally was the "Golden Opportunity Shop" owned by Janie Golden. Some of the assistants were Doris Beasley, Jacqueline Booth, Mary Wilson, and Wilma Hobbs.

The scene then changed to a laboratory in a cosmetic factory where Elsie Mae Chapman had just completed a new cream called, "Deluxe Freckle Vanishsha." Those mad inventors with her were Dorothy Lipscomb, Vivian Pearson, and Marian Ruxton.

The little genie thought I'd had enough of this and decided I needed a little night life, so we whizzed over to the "Plaza Rooney" owned and operated by Earl Martin whose largest drawing card seemed to be his orchestra led by Richard Lowder. Among his featured players were Tommy Wilkes and his trumpet, Richard Hotchkiss, and his clarinet, and that luscious blonde singer, Maud Minter, who gives out with a torchy rendition of "Three Blind Mice." A whisp of smoke passed me and a faint call, "Cigars, cigarettes," pierced my ear and I turned to see Mary Virginia Holland. That girl can't keep away from the things.

Among the patrons at the "Plaza Rooney" were the playboys: Roland Micklem, Johnny Barton, and Roger Douglas. The glamorous New York career girls with them were Maxine Johnson, Betty Wells, Genevieve Frazier, and Dolores Lipp.

"Hollywood—what are we doing here? Don't tell me some of my alumni crashed the movics!" The genie answered that question as we entered "Fabulous Flicker Studios" and who should greet me but director and producer, Sidney Butterworth, accompanied by his able assistants, Arty Shelby and Franklin Brooks. They were eager to show some of our classmates in action so we immediately proceeded to the set of "Old Folks at Home" starring Katherine Kesler and Clayton Rhodes. Among the supporting cast were Carlton McLaughlin, Lucille Cleveland, Dorothy Stilwell, and Milan Vanko.

We then shifted to the scene of the "Desert Song" starring Ray Carder and Barbara Jean Van Houten.

Next to this set a Western was being shot called, "The Wolf Calls" starring that "rootin'-tootin'" cowboy who made "The Wreck on The Highway" famous, Robert Harrison.

With the snap of the genie's finger we were in Washington facing Eliades General Hospital. We went in and were welcomed by Superintendent Dorcas Connelly. The genie urged me to look around, and as I did, I saw nurses Pauline Elmore, Lillian Hamilton, Marie Wyatt, Jean Shelton, Melva Collins, and Virginia Blackmon. We learned that the hospital's

dietician was Ruth Harshbarger. A few of the interns were Jack Baker, James Watson, and Henry Johnson.

Of course, we were anxious to see which of our fellow classmates were politicians and, just as we thought, as we entered the White House, I noticed the two well-known congresswomen, Charlena Fayed and Sally Wilson conspiring as to how they could skip a congressional meeting the following week. I later learned that they had just completed a book called "Acres and Acres and All Mine." Our attention was turned from these masterminds when a loud commotion was heard in the next room and when we went to investigate, we found none other than Jean Gsell, the world renowned chemist, in her new invention, a plastic dress.

The scene changed to New York for just a second where we found Louise Birchett and Betty Doult arguing over which of them should take the leading role in the latest Metropolitan Opera. We also saw Peggy Roach hard at work on her latest composition to be presented at Carnegie Hall the following evening.

On the way to the great metropolis of Hopewell, the genie stopped me for a moment to view the structure of the new "collapsible" bridge constructed by Neil Wilson. It seems that it would collapse every time you looked at it. Mrs. Wilson, the former Ruth Vaughan, was there, also, admiring his wonderful work. She had been doing secretarial work for Ruben Parsons, who has just finished his latest book entitled "How to Get Nowhere Fast."

The next thing I knew we were at the Hopewell Airport where Bishop Knott was perfecting a new wingless airship, while test-pilot Crawley Connelly looked on nervously. Some of the pilots standing around watching were: Earl Hogarth, Raymond Shornak, Pryor Lewis, Garland Hazlewood.

We buzzed into Hopewell just in time for the grand opening of Mrs. Ruben Parson's (the former Miss Marjorie Robertson) Beauty Salon. Some of the famous hair stylists working there were: Ruby Dail, Bettie Dunton, Elizabeth Hoverstock, Mary Lee Taylor, Annie Absalon, and Ruth Joyce.

Many of the fashionable hats worn by prominent citizens at the opening were designed by those sensational designers, Myrtle Smith and Betty Jane Rosser.

The genie informed me as to the following office holders: Billy Davis was Hopewell's new Mayor and he is always seen with his secretary, Kitty Graham. Ann Dorsey was Hopewell's first woman undertaker and she is doing a good job. Asked how she liked the job, she answered that it was all right but pretty dead. Commissioner of Revenue was Daniel Sulc and City Manager, Richard Manverse.

Then we approached our Alma Mater and whom should we find as commercial teachers but Vera Vanko, Hannah Suyes, Doris Nedlock, Gladys Jackson, Mary Lee Hancock, and Evelyn Buchek. A glimpse into the gym found Patsy Morris, Inez Kreynus, Joan Lawrence, Hilda Carelock, and Margaret Karabedian debating over new plays for their nationally acclaimed individual basketball teams.

We overheard someone discussing the new telephone office owned and operated by Betty Woolridge, Margaret Moore, Jean Lewis, Catherine Harris, and Juanita Rhodes.

The boys' physical education teacher was Robert Layne who told us that he had recently heard from Bruce Price. It seems that Bruce is now a circus trapeze artist.

Barbara Fleshood and Alvah Burney seem to be running neck to neck for the title of "The Navy Pin Up Girl of 1956."

Did this sound like a tale out of Arabian Nights to you? It does sound wonderful and unusual but then isn't it typical of the class of '46?

A Prayer for Peace

May the lessons learned at Hopewell High,
Forever help us as we strive
To take our place with courage brave;
To bring about a great new day,

A day when peace shall reign supreme,
And nations all join in a team;
To bring about both peace and right,
Where once was selfishness and strife.

During our four years at Hopewell High
War has called upon many to give and die;
But today the challenge comes to each,
To go out and help build a lasting peace.

And so we pray that God in His infinite love
May keep watch over us from above,
And give us wisdom and courage strong
To fight the forces of evil and wrong;

To unite ourselves in one great throng,
To banish forever the greed and wrong,
And help us by our lives to show
The way to a true and lasting peace.

*Homer Eliades not pictured

Because of Coach Parson's hard work and expert guidance the 1945 Blue Devil team registered another successful season for Hopewell High School. The team won four games, lost four, and tied one.

The call for candidates at the beginning of the season resulted in 55 boys coming out, of which only 5 were lettermen from last year. Of these five Stanley Dereski, last year's tackle, was placed in the backfield with Atwater and Price, while Robert Layne and Goodwin were the two veterans in the line.

The squad as a whole was quite green. The first string was even composed of a few first year men, but through hard practice and elimination a team was finally made up, backed by a group of eager substitutes ready to fill in at any time.

HOPEWELL 51—EMPORIA 0

The first game of the season resulted in a smashing victory for the Blue Devils over a green Emporia eleven on our field. The Emporia boys fought hard throughout the entire game, but due to the absence of several of their lettermen and weak reserves they were no match for the charging, hard fighting Hopewell team. The game was full of spectacular long runs as our team tallied 8 touchdowns. These were rather equally divided in the backfield with Dereski bringing in three, Price two, Nelms two, and Goodwin one. Practically the entire squad saw action in this game.

HOPEWELL 6—ST. CHRISTOPHER 0

Facing a highly favored St. Christopher team which had not been defeated in nineteen straight games, the Blue Devils were able to come out on the long end of a 6-0 score. Both teams played hard, fast football with each team battering at the other's goal with long drives that would end feet, and even inches from the opponents' end zone. The entire Hopewell backfield played heads-up football; but it was Price's thrilling 65-yard touchdown run after receiving a Saint punt that gave us the game. Robert Layne and Alvin O'Berry gave the Saint line plenty of trouble, and Stanley Dereski forced many a scare with his power house charging.

HOPEWELL 0—PORTSMOUTH 25

Against their strongest opponent of the season the Blue Devils made their most stubborn and commendable stand of the year when they went down to defeat before the Presidents of Woodrow Wilson High School at Portsmouth by the score of 25-0. Playing at night and under lights, the small but ever fighting Blue Devils held Portsmouth's power laden machine to but a single touchdown in the first half; however, during the second half, with Dereski, a bulwark on defense throughout the first half, on the bench and with the strong reserves available to Portsmouth, three additional touchdowns were chalked up by the Presidents.

HOPEWELL 0—PETERSBURG 13

In the most important game of the season the Blue Devils lost a heartbreaker to Petersburg by the score of 13-0. Although having six first downs to Petersburg's three, and leading in yards gained, the Hopewell team was not able to score in her hardest fought game. After receiving the kick off, Hopewell surprised the visiting Petersburg fans, who expected something of an easy victory with her power, by driving to the Petersburg 25 yard line, though losing the ball there on downs. It was not until the last few minutes of the second quarter that Petersburg threw a touchdown pass from Hopewell's 26 yard line and made her first touchdown.

The next score came in the third quarter when Webb went over from the Hopewell five yard line on a fake pass play. The game ended with Hopewell making a desperate effort deep in Petersburg's territory. Dereski, Price, Atwater, and Nelms did fine work in the backfield, while Layne, and Parson stood out in the line.

HOPEWELL 26—BENEDICTINE 6

Benefitting from a week's rest the Blue Devils were in good shape and handed the Benedictine Cadets a 26-6 defeat. Although the first quarter was scoreless, long runs by Price and Dereski planted the ball on Benedictine's 43 yard line. A beautiful pass from Price to

Nelms, good for 33 yards and a touchdown, gave the Devils a 6-0 lead. Quick to follow was another long 38 yard run by Nelms which chalked up the second score. Dereski exhibited some fine running when in the third and fourth quarter each he tallied two more touchdowns and placed us far out in front.

HOPEWELL 20—JOHN MARSHALL 6

Hopewell handed John Marshall a 20-6 beating at the City Stadium. In the first few minutes of this game Dereski smashed through tackle from the 4 yard line to register the first score and Atwater, star converter, made the extra point. Although John Marshall threatened to tie the score in the second quarter when she made her only touchdown, the Blue Devils counted two more in the fourth quarter and came out the winner.

HOPEWELL 6—MAURY 19

With three tough opponents, Maury, Newport News, and Thomas Jefferson, still left in the season, the Blue Devils could look for no rest. In Norfolk the Devils were set back by a score of 19-6, by the Maury Commodores. The fast Maury team had a 19-0 lead at the end of the first half practically before Hopewell could find her bearings. A different Hopewell team walked on the field in the second half and did not stop until she made a touchdown. Although Maury was stopped, it was too late, and the game ended a victory for Maury.

HOPEWELL 7—NEWPORT NEWS 7

Once again the underdogs, the Hopewell High eleven faced the almost unbeaten boys from Newport News. Surprising many, the Blue Devils took the offensive and kept it, scoring a touchdown in the first half. Holding the Typhoons scoreless until the last quarter, the team finally forced through a touchdown and converted, thus tying the score at seven all.

HOPEWELL 0—THOMAS JEFFERSON 6

The last game of the season, the Turkey Day game with Thomas Jefferson, proved to be one of the toughest played by the Blue Devils. On rain soaked Shawen field the heavy Presidents and the scrappy Hopewell team fought, and not until the fourth quarter would the Blue Devils concede the Teejays a touchdown. The Presidents drove the Hopewell team up and down the field but when they approached the end zone they could not penetrate the Devils' tough defense.

In the second quarter Price recovered a Teejay fumble on Hopewell's four yard line. After going back into the end zone, on what looked like a punt, Price ran around left end, cut to the right and raced to the Teejay 38 line on a beautiful run. Price was hurt on this spectacular play and was taken out for the remainder of the game. Finally, after a 50 yard drive Artis Mills of the Presidents was able to go across from the Devils' one-half yard line on a quarterback sneak.

A successful season had now ended and was climaxed by three dinners for the team. The Rotary Club gave its annual dinner at the Chesterfield Hotel. The business men of Hopewell sponsored a dinner at the Westwood Supper Club in Richmond. Members of the team brought their dates and heard an interesting talk by Coach Rube McCray, of William and Mary. Later at a dinner in honor of Hopewell's great All American, Al Nemetz, letters were awarded to the team, thus ending officially Hopewell's 1945 football season.

The Devilettes won three and lost six games out of the nine games that were played. Many of the girls, being inexperienced, were somewhat slow in the beginning of the season, but they showed great improvement as the season advanced.

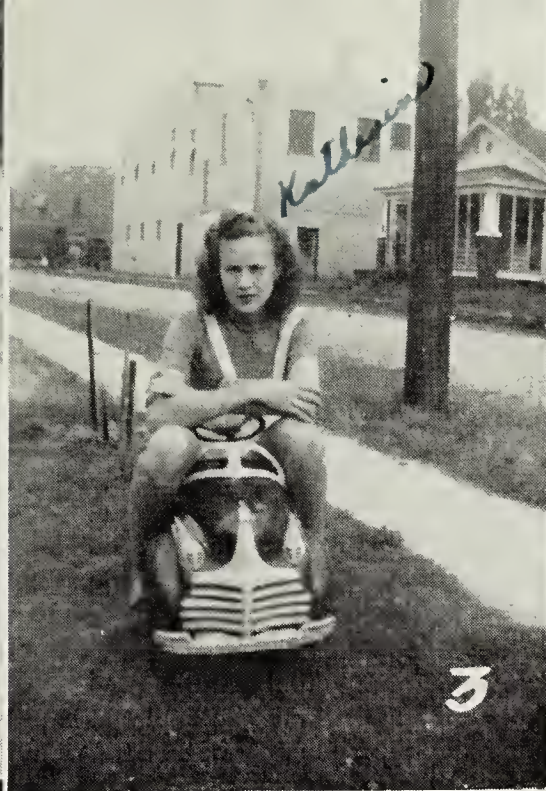

Patsy Morris was high scorer, making 153 points, followed by Maud Minter with 45 points, and Hilda Carelock, 30 points.

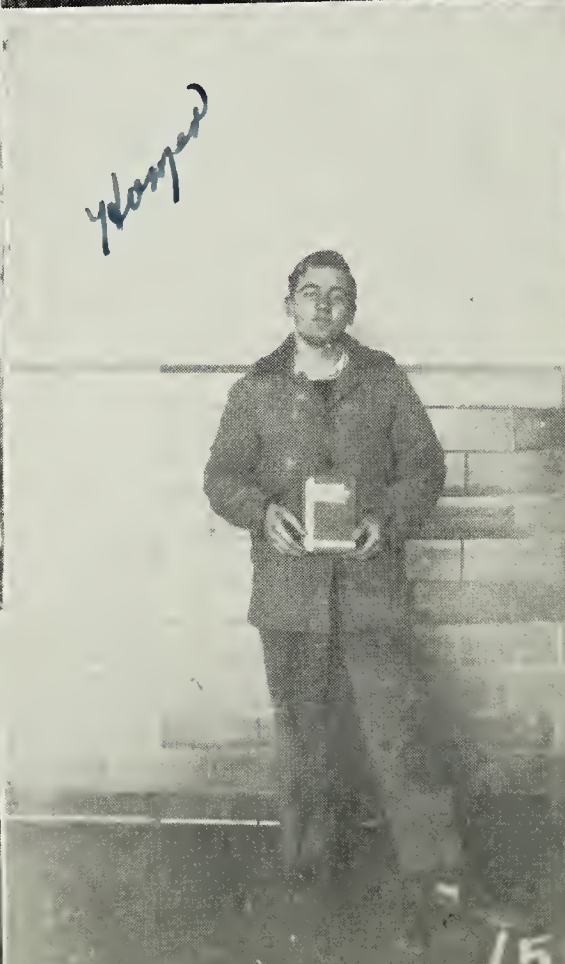

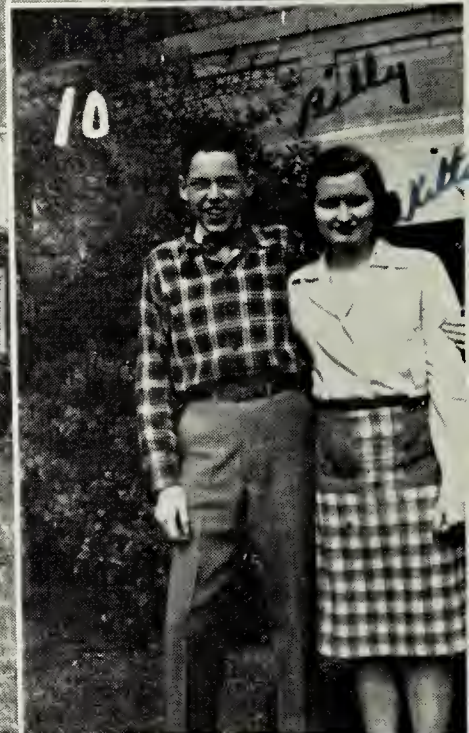

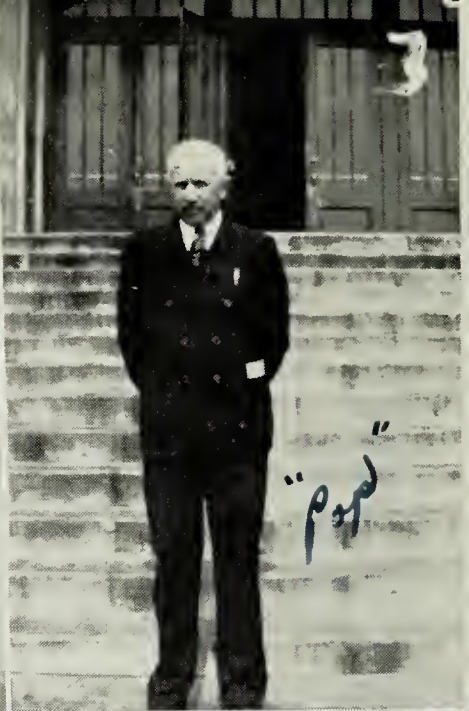

Besides the six varsity players, Anne Finley, Jackie Boothe, Margaret Karabedian, and Louise Birchett, Manager, received letters.

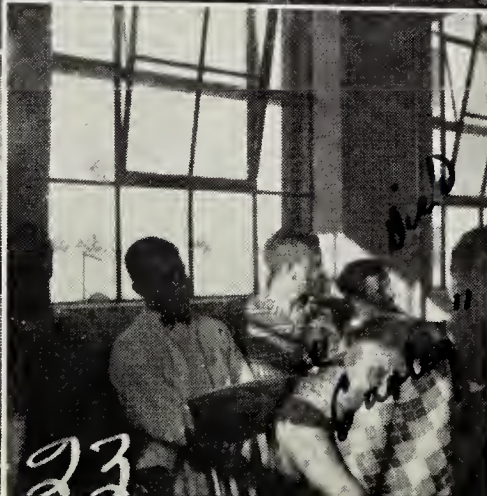

Two lettermen will return next year, Anne Finley and Louise Gilbert.

Sometimes it is the nature of a craft to create an unbreakable tie between itself and the worker in that field, a heart attachment equal to lifetime devotion. One familiar example is PRINTING. Once editor, once compositor, or pressman catches the spirit of the shop, the spell is seldom broken. Like the odor of a camp fire, or a whiff of salt air, the beloved tang of printer's ink, symbolical of a great profession, gets into your heart and soul. School Annuals, Magazines, Newspapers and Special Printing, all smack of it. It is an invisible link that binds all intelligence together. It is the stimulus for creation in business or romance. This craftsmanship, this devotion to service and alertness to business needs, has nourished and developed an enormous industrial vitality, and whichever way the course of the future runs, the printer will always find himself able to adapt his helpfulness to new opportunity.

Years of experience have taught us! Printing Pays Us Only When It Pays You!
